

**Songs Used: Wait For It / Dear Theodosia**

(Intro) C Am Em

C Am Em  
My Father was a good man that fought for this country  
C Am Em  
Though things haven't gone as planned he deserves some sympathy  
C Am  
You've kept him from his family  
Em  
The president must accept  
C Am Em  
That when he shot Hamilton, a death was precedent  
C Em Am F  
My dear father, how to break to you? Sometime last week your grandson passed away and like  
C G Em  
the waves that rock me now it shook my core  
C Em Am F  
Dear Aaron Burr, all i've done for you, It's been four years since you finally came back home  
C Em Am  
It wasn't all for naught what I did to bring you back  
C Em Am F  
I came of age with this young nation, but then it turned on you, and what was I to do?  
C Em Am  
I advocated for your reinstatement and I did plead for you  
F G C Em  
I tried to share our views, to get you back one day And we both know,  
C F G  
That death doesn't discriminate between the sinners and the saints  
Am F  
And it took and it took and it took my son, and just to think of it  
C G  
Of all the death and the lost and the ones, like my mother, who are gone  
Am F  
And since there's a reason I'm by your side  
C G  
When so many that loved us have died  
Am F  
I'm willing to fight through this  
G Am  
Like always, survive through this  
(Outro) C Am Em C Am Em
