STAR Rubric Assessment and Reflection

In what ways do your grades depend on STAR? Have your academics been positively or negatively impacted by these habits of work and learning (HOWL)? Be specific and give examples.

My grades depend on Star because I have to be responsible ~~at the~~ ^{at the} ~~how~~ ^{how} ~~up~~ ^{up} and accountable for my education and the things I do to maintain the things I learn. My academics have been positively affected because since I was responsible ~~by showing up to class everyday and paying attention~~ ^{by showing up to class everyday and paying attention} I was able to memorize the information I learned.

What are your academic goals for the remaining time this year?

- What grades do you want to get?
- What are the steps or actions you will take to get reach these goals?
- Who are the people you will check in with to ensure you are on track to reach these goals?

My academic goals for the remaining time this year is to pass the retake of the Algebra I Regents. I want to get an 80 but its not going to be simple. I will check in with the Channel View staff to make sure I show up at the retake and the one week review.

What are your personal goals for the remaining time this year?

My personal goals for the remaining time of the year is to stay focused and prepare myself for challenges that are ready to step in my way.
