Dear Parents and Guardians,

Channel View will be offering additional instructional time in Mathematics, ELA and Science for grades 6, 7, and 8. This is a wonderful opportunity for your child to receive instruction in a small group setting. Classes will be held on Tuesday and Thursday from 2:25 to 4:00, and Saturday from 9:00-12:00. Space is limited and students will be admitted on a **first come, first served basis.**

There will be no yellow bus service for 6th grade students. They will receive a metro card. The children may also attend Millenium, once dismissed from the afterschool program. If you have not signed your child up for Millenium and would like to, please let me know.

Please **see the schedule** and complete the **permission slip**. If you have any questions, please contact me.

Sincerely,

Maureen Powderly
Assistant Principal

Please detach and return to your child's homeroom ASAP.
