TWELFTH GRADE CONTRACT FOR INCENTIVE TRIPS

Twelfth grade year is meant to be a challenging, fun year- a year that begins with a final decision about college and the future. As twelfth graders you have special privileges throughout the year. Where there is fun, there is also hard work and responsibility. As the seniors, you are expected to be role models for each other and for the younger students who will follow your example. It is therefore vital for our school community that all twelfth graders behave in an appropriate manner.

Below is the list of criteria that 12th graders must adhere to in order to participate in senior activities.

As a 12th grade Channel View student, I understand that I must work toward achieving each of the following criteria to be considered for senior activities, including the senior trip, prom, and graduation. Place your initials next to each statement to indicate agreement.

_____ I understand that I must be achieving at least an 80 in all subjects.

_____ I understand I must be on track to graduate

_____ I understand that I must have at least 90% attendance from now until the end of the year.

_____ I understand that I must have no more than 3 latenesses to school for the remainder of the school year.

_____ I understand that I must follow directions and show respect toward all adults in all areas of the school building, including, but not limited to, cafeteria, gym, hallways, and classrooms (evidence of this can include infractions, PupilPath anecdotes, suspensions, staff phone calls and write ups, and staff recommendations).

_____ I understand that I may not have any negative behavior comments from any teacher on my report card.

_____ I understand that I must wear the appropriate uniform attire each and every day to school.
